Community Relations Week

During the week of January 24th Saint Joseph's High School experienced a different, valuable and enjoyable program: Community Relations Week.

Instead of the regularly scheduled exams, students attended three one-hour sessions in the morning where people demonstrated their various talents or spoke on their specific occupation in life.

In cultural and business areas the school was visited by the Hudson County Ballet Company, an interior decorator, the Hudson County prosecutor, two actors, a disc jockey, an embalmer and an art display.

Mr. DiStefano (Teterboro School of Aeronautics), Mr. Gaulkin (Hudson County Prosecutor), and Randy Newmann (Professional Boxer), pose for a group picture.

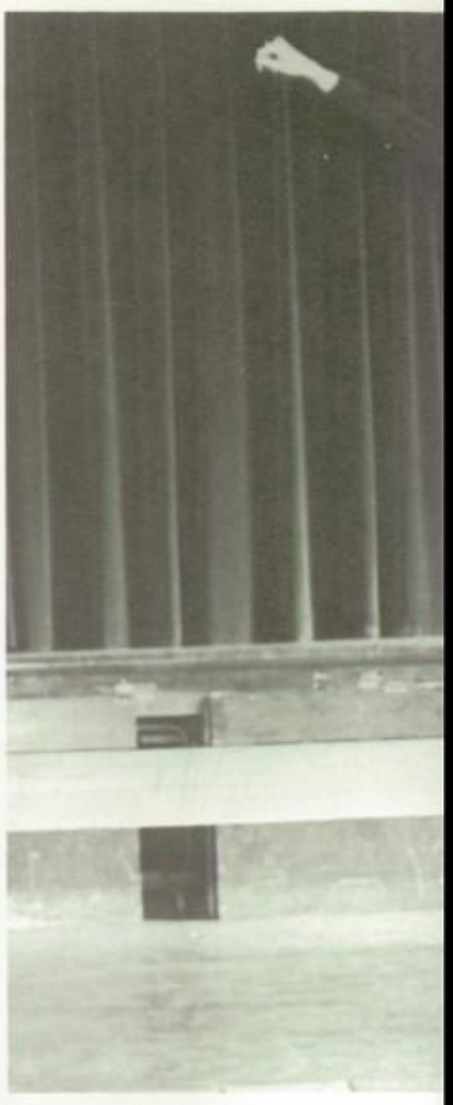
demonstrates their latest equipment.

Mike Tanner admires the work of St. Joseph's H.S. students.

In the athletic field a demonstration was given by the Montclair State Wrestling team, a gymnastic exhibition was performed by members of the Sokol Hall, Randy Neumann, New Jersey State Champ, spoke on professional boxing, and a fencing and karate exhibition was staged.

There were also on the agenda activities which opened new areas of interest to students: an antique display, the Jesus movement, an F.B.I. agent, women's lib and the workings of the Stock Market.



Get high on Gymnastics.

Jimmy Lynch plunges for the attack.

In the afternoon non-mandatory field trips were staged to the following places: Christopher House, New York Stock Exchange, Meadowview-Mental Hospital, Lincoln Center, Metropolitan Museum of Modern Art, American Museum of Natural History, Macbeth, 1776, & King Lear.

The week truly proved to be a fantastic success mostly because of all the hard work the faculty and administration had to accomplish. Another program is scheduled for the spring.
